FOR YOUR REFLECTION: How can we grow in our faith and increasingly seek justice and kindness?

Stable Housing. Stronger Communities. Healthier Lives. *(National Housing Day)*

Winnipeg Inner City Missions (WICM), a recognized Indigenous ministry in The Presbyterian Church in Canada, has long understood the connection between stable housing and social well-being. When a person is safely and adequately housed, it becomes easier to find employment, develop healthy relationships and break habits of addiction. WICM operates a transitional housing complex coupled with an employment program to help give people in Winnipeg's North End and inner city a place from which to heal, grow and become who God has made them to be.

The Rev. Paddy Eastwood is on vacation and will be back Nov. 23rd. If you have pastoral needs, please contact the church office or your elder.
